

CURRICULUM VITAE

Yanika Kowitlawakul, PhD, MSN, RN

Associate Professor

School of Nursing, College of Public Health, George Mason University

4400 University Blvd., Mail Stop 3C4, Fairfax, Virginia. 22030

Tel: (703) 993-9167, Email: ykowitz@gmu.edu

ACADEMIC PREPARATION

Ph.D. in Nursing (2002 – 2008), College of Health and Human Services (CHHS), School of Nursing, George Mason University (GMU), Fairfax, Virginia, USA.

M.S.N. in Nursing Administration (1998 – 2000), College of Health and Human Services, School of Nursing, George Mason University, Fairfax, Virginia, USA.

B.S.N. in Nursing (1987-1991), Khon Kaen University, Khon Kaen, Thailand.

PROFESSIONAL EXPERIENCES

Associate Professor (Jan 2022- Present), School of Nursing, College of Public Health, George Mason University, Fairfax, Virginia, USA

Associate Professor (July 2017-Dec 2022), Alice Lee Centre for Nursing Study/Yong Loo Lin School of Medicine, National University of Singapore, Singapore

Assistant Professor (July 2011– June 2017), Alice Lee Centre for Nursing Study/Yong Loo Lin School of Medicine, National University of Singapore, Singapore

Assistant Professor (January 2008 – May 2011), School of Nursing, The George Washington University, Washington, DC, USA

Registered Nurse (2009- 2011), HCA Reston Hospital, Reston, VA, U.S. A.

- 2009 - 2011: Working one day per week as a critical care nurse, at Critical Care Unit (CCU).

Registered Nurse (2000- 2008), Inova Fairfax Hospital, Fairfax, VA, USA

- 2003 – 2008: Working as a full time, critical care nurse, at Medical-Surgical Intensive Care Unit (MSICU)
- 2000- 2003: working as a full time, telemetry nurse, at Progressive Coronary Care Unit (PCCU).

Registered Nurse (1991 – 1996), Thonburi Hospital, Bangkok, Thailand

- Working as a critical care nurse at Intensive Care Unit (ICU).

TEACHING AREAS/COURSES

- Nursing Fundamental
- Evidence Based Healthcare
- Research Project (supervisor)
- Leadership and Management
- Medical-Surgical Nursing
- Comprehensive Health Assessment
- Simulation-based learning

AWARDS

- Thesis Award 2008, George Mason University, Virginia, USA
- Faculty Teaching Excellence Award AY2018/2019, National University of Singapore, Singapore
- Faculty Teaching Excellence Award AY2021/2022 (Faculty level) National University of Singapore, Singapore
- Annual Teaching Excellence Award AY2021/2022 (University level) National University of Singapore, Singapore

LICENSURE/CERTIFICATE

- Certificate of Nursing Education: George Mason University, Fairfax, Virginia, USA
- Commonwealth of Virginia Nursing License (U.S.A): Registered Nurse
- Singapore Board of Nursing (Singapore): Registered Nurse

PROFESSIONAL MEMBERSHIP

- A member of Singapore Nursing Association, Singapore
- A member of Sigma Theta Tau International Honor Society, Epsilon Zeta Chapter (School of Nursing, George Mason University)

GRANT FUNDINGS

- **Principal Investigator**
Topic: Development and effectiveness of Artificial Intelligence -Teaching Assistance System (AI-TAS) in enhancing nursing students' engagement, intrinsic motivation, and knowledge applications. Two-year project (June 2021-May 2023).
Funded by MOE Tertiary Education Research Fund, Singapore
(USA 158,103.75)
- **Co-Principal Investigator**
Topic: Development and Validation of Falls Predictive Model Using Artificial Intelligence (Two- years project May 2021-April 2023)
Funded by ALCNS-Clinical Practice Innovation Seeding Fund, Singapore
(USA 110,659.05)
- **Principal Investigator**
Topic: Impacts of the re-designed Advanced Health Assessment module on the students learning outcomes in the Master of Nursing (MN) program. One year project (Jan 2017-Dec 2018) Funded by NUS Learning Innovation Fund-Technology (LIFT) Fund
(USA 6,270.10)
- **Co-Investigator**

Topic: Salutogenic Healthy Aging Program Embrace (SHAPE) for elderly living alone. Funded by Social Science and Humanities Research Thematic Grant. 2017-2019 (USA 333,071.65)

- **Co-Investigator**

Topic: Improving knowledge and awareness of coronary heart disease among working population through a mHealth program

Funded by Heart Foundation. 1st Nov 2014 to 30 Oct 2015

(USA 59,018.20)

- **Co-Investigator (Responding investigator for grant funding application)**

Topic: Measurement of the thickness of the adductor pollicis muscle (TAPM): A new indicator for nutritional status for critically ill patients. Two-year project (May 2014-April 2016)

Funded by NUHS Clinician Research Grant FY13

(USA 66,300.43)

- **Principal Investigator**

Topic: Enhancing research skills in graduate nursing students: Effectiveness of an e-learning module. Two-year project (June 2013-November 2015)

Funded by NUS Learning Innovation Fund-Technology (LIFT) Fund

(USA 6,639.54)

- **Principal Investigator**

Topic: Enhance Collaboration with Interprofessional Education through Simulation (ECIES). Two-year project (August 2012-August 2014)

Funded by the NUHS Innovation and Creativity in Education (NICE) Fund

(USA 5,311.63).

- **Principal Investigator**

Topic: Enhance learning in nursing skills laboratory with electronic health records (EHRs). Two-year project (October 2011-October 2013)

Funded by the National University of Singapore Start-Up Grant

(USA 132,790.86)

INVITED AS A SPEAKER (IN THE LAST 3 YEARS)

- Invited by School of Nursing, Sukhothai Thammathirat Open University, Bangkok, Thailand, as a guest speaker (150 participants). Presentation topic- “Transformation in the disruptive Era”, at the Virtual Nursing Practice Conference on June 10, 2023.
- Invited by Faculty of Nursing, Prince of Songkhla University, Songkhla, Thailand, as a guest speaker (200+ participants). Presentation topic- “Science and Art of Aging Gracefully in the Digital Era”, at the International Virtual Conference “Moving Towards Wellness and Flourishing in Aging”, on February 14-15, 2022.
- Invited by Visayasmed Hospital, Philippine, to be a guest speaker to provide a one-hour lecture online via Zoom, entitled “Simulation based-learning: Improving the quality standards of care”. This session was part of the institution’s continuing medical education on August 22, 2022,
- Invited by the Burapha University, Chon Buri, Thailand, to be a guest lecturer to provide 2 hours lecture via Zoom to Year 4 nursing students (35 students) on the topic entitled “Health policy and system in Singapore”, at 2pm-4pm, July 5, 2021 (online).

- Invited by the Commission on Strategic Plan on the Development of Health Workforce Education in the 21st Century, Bangkok, Thailand (300 participants). Presentation topic- “Approaches in assessment of knowledge and skills”, at the Global Interprofessional Education Conference (GIPEC) 2021, online via Zoom on July 21, 2021
- Invited by Kasem Bundit University, Bangkok, Thailand to conduct the 2-days workshop for 35 faculty members. Workshop entitled “Enhancing writing skills for academic/research publications”. The workshop was held online via Zoom, at 9am-5pm, on May 30 and July 31, 2021.
- Invited by Mahidol University, Bangkok, Thailand (250 participants). Presentation topic- “Nursing research: Challenges and barriers in conducting simulation-based learning using high fidelity simulators”, at the conference entitled Digital Skill and Nursing Beyond New Normal on September 9, 2020.

ATTENDED WORKSHOPS AND CONFERENCES (IN THE LAST 3 YEARS)

- Attended 4-day Healthcare Simulation Essentials workshop via Zoom, conducted by Center for Medical Simulation, Harvard University, USA. March 22-25, 2022
- Conducted one day Qualitative Research workshop as one of workshop facilitator at University of Singapore, 9am-4pm, July 26, 2022
- Attended Asia Pacific Medical Education Conference (APMEC) 2021 in Singapore on January 22-24, 2021.
- Attended 4 half-days Cochrane Systemic Review Development Workshop, Singapore July 5-8, 2021
- Attended workshop entitled “When medical professionals better anticipate the unknown”, National University of Singapore. 9am-1pm, June 3, 2021.
- Attended Teaching Seminar by NUS Teaching Academy Medical Cluster on the topic “Learning that Sticks”, National University of Singapore. July 23, 2021.
- Conducted one day Qualitative Research workshop as one of workshop facilitator at University of Singapore, 9am-5pm, May 27, 2021
- Attended Scholarship Sharing Session on the topic entitled “Writing critical reflection in nursing: Structure, sharing, emotions and opinions and integrating theory into practice”. National University of Singapore, October 1, 2020
- Conducted one day Qualitative Research workshop as one of workshop facilitator at University of Singapore, 8:30 am-5pm, July 3, 2020
