## Merchant Hall

**TECHNICAL SPECIFICATIONS**

The 1100 seat concert hall is designed as an adaptable venue, able to serve many types of events. 484 orchestra level seats, 50 pit seats, 186 seats in the Parterre, 190 seats in the first balcony and 190 seats in the second balcony. Seating charts available for download online.

Merchant Hall comes equipped with state of the art lighting and sound systems, a large orchestra pit, and the ability to vary the acoustical character of the room for the needs of a given production.

An adjustable music shell may be deployed to enhance the acoustical presence of an orchestra, chorus, soloist, or chamber ensemble. For theatrical, dance, and other large-scale productions, the shell vanishes, opening up a large stage with ample wing space and a 75 line set single purchase counterweight fly system.

**AUDITORIUM SEATING****Maximum Capacity:**

Total	1100
Orchestra	484
